PEORIA – The Illinois Department of Transportation announces that motorists will encounter intermittent daytime lane closures on US 150 at the McClugage Bridge over the Illinois River beginning Monday, June 15.

The lane closures are necessary for bridge washing work to be completed. The lane closures will begin in the eastbound lanes and then move to the westbound lanes. The work is expected to be completed by Wednesday, July 1.

Please slow down and use extreme caution while driving through all work zones.
